- Contact Email:
- Contact Phone:
- Town(s) your organization is located in:

Eligibility

1. Is your organization located in one of the following parishes that was impacted by Hurricane Ida? Select all that apply...

- Ascension
- Assumption
- East Baton Rouge
- East Feliciana
- Iberia
- Iberville
- Jefferson
- Lafourche
- Livingston
- Orleans
- Plaquemines
- Pointe Coupee
- St. Bernard
- St. Charles
- St. Helena
- St. James
- St. John the Baptist
- St. Martin
- St. Mary
- St. Tammany
- Tangipahoa
- Terrebonne
- Washington
- West Baton Rouge
- West Feliciana

2. Is your organization any of the following?

- Designated by the IRS as a 501(c)(3) organization
- A non-501(c)(3) organization with a fiscal sponsor
- A tribal organization (this includes both Federally or State recognized tribes AND **unrecognized** tribes)

3. Does your organization support the disaster resilience of marginalized and underserved communities (i.e. does it enhance the community’s ability to adapt, withstand, and recover from disaster)? Yes / No

- *Resilience* is the ability of an individual or community to absorb shocks (i.e., major disruptions to everyday life such as natural disasters) while maintaining functioning and adapting in productive ways. Individuals, families/households, communities, and cultures can demonstrate resilience and there are different types of resilience such as social, economic, environmental, emotional, and psychological, etc.

4. I have reviewed Tulane University’s template agreement and if selected would be willing to sign such an agreement. Yes / No

5. If selected, is your organization able to commit to sending a representative to participate in the following activities in addition to carrying out the proposed project? Note: For continuity purposes the same individual acting as a representative should participate in each of the activities. Yes / No

- group concept mapping study
- six-module training course
- A conference to showcase your work

Details about these activities can be found on our webpage www.cedrhub.org on the “About Us” page.

Help us get to know you and your community

6. Briefly tell us how Hurricane Ida directly impacted your organization AND the population you serve. [≤ 250 words]

7. Please provide us with an organizational overview.

- In the order they are asked be sure to tell us:
 - a) what your organization does AND where
 - (if available include links to websites and social media accounts)
 - b) how your organization is involved in supporting the disaster resilience of marginalized and underserved communities and
 - c) how your organization is connected to and involves the community in its work in meaningful ways. [≤ 400 words]

8. Please select, if applicable, which of the historically marginalized or underserved communities your organization serves

- Asian American /Native Hawaiian /Pacific Islander
- Black /African American
- Hispanic /Latino /Latina /Latinx
- Native American /Alaskan Native
- Multi-Racial /Multi-Ethnic
- LGBTQIA+
- People with Disabilities
- Women

None of the Above

9. Now tell us how your organization is serving the group(s) you selected above. Where possible, provide statistics of the demographic (*race, gender, etc.*) for the geographic region and the number your organization serves (where data isn't readily available an estimation is appropriate). We recommend using the data from the Census Bureau which can be found by copying and pasting the following link into your web browser and inputting your location <https://www.census.gov/quickfacts/fact/table/LA,US/PST045221> additional resources can be found here <https://www.louisiana.gov/demographics-and-geography/>. [≤ 250 words]

10. What are one or two needs that you've identified in your community that you feel you could effectively address with additional resources (i.e.~\$15,000). Please specify what type of additional resources you would need [≤ 250 words]
